

## Armed Forces

AWARDED . . . Mrs. John Ingraham (left) and Mrs. Guy Cooper, leaders of Girl Scout Troop 614, presented the Curved Bar award to Sandra Ingraham at a recent ceremony. The ceremony was held at a recent meeting of the troop.

The 41,000 ton anti-submarine warfare support aircraft carrier USS Kearsarge is operating as the basic anti-submarine unit of the mobile Seventh Fleet in the Western Pacific.

Serving aboard the carrier is Richard J. Finch, aviation boatswain's mate third class, USN, son of Mrs. Thelma G. Finch of 3236 W. 187th Pl.

The Kearsarge can best be compared to a "floating city," having a population of more than 1800 men. It has a chapel, dining halls, clothing stores, cobbler shop, tailor shop, library, power plants, a modern, fully equipped hospital, printing plant and all other facilities necessary to operate a city of its size.

Part of the Kearsarge's aerial arsenal, which includes many types of modern jet aircraft, is the small, propeller-driven, twin-engine Grumman "Tracker," used to skim the waves searching for submarines with advanced electronic gear.

Serving aboard the Pacific Fleet destroyer USS Cowell, which is currently operating in the Western Pacific as a unit of the powerful Seventh Fleet, is Ray Montana, yeoman first class, USN, son of Mr. and Mrs. Pete Montana of 1408 Torrance Blvd.

Destroyers, long known as the "workhorse of the fleet," are used by the Navy for anti-submarine warfare, speedy

rescues at sea and escorting larger ships, such as troop transports or aircraft carriers.

The Third Marine Aircraft Wing at the El Toro Marine Corps Air Station, Santa Ana, provides air support for the First Marine Division at Camp Pendleton.

Serving with the wing, is Marine Sgt. Lewis A. Marchetti Jr., son of Mr. and Mrs. Lewis A. Marchetti Sr. of 1942 Reyrosa Dr.

The Wing uses helicopters, transports and jets to support the infantrymen of the Division.

Donald P. Sheldrake, airman apprentice, USN, son of Mrs. Helen L. LaBell of 18205 Purche, was graduated, June 2, from the two-week Aviation Familiarization School at the Naval Air Technical Training

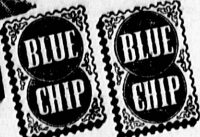

Center, Memphis. His instruction included aircraft maintenance, aircraft navigation, first aid, and aircraft fire fighting. The course prepares students for more technical study in another school at the Memphis center.

Paul E. Rowe, aviation boatswain's mate third class, USN, son of Mr. and Mrs. Horace J. Rowe of 2314 Torrance Blvd., is serving aboard the attack aircraft carrier USS Shangri-La operating out of Mayport, Fla.

Rowe, a member of the flight deck crew, was recently promoted. He entered the service in June 1955.

Graduating June 12 from Ground Radar Repair School at the Marine Corps Recruit Depot, San Diego, was Marine Pfc. Ronnie J. Fisher, son of Mrs. Mary Fisher of 19305 Anza Ave.
